

3/18/14

Attention all licensed Amateur Radio Operators, This is \_\_\_\_\_, Net Control Station for the Montrose Amateur Radio Club and the Amateur Radio Emergency Services Information Net. The purpose of this net is to be a training net for ARES and to pass Club information to members. Licensed Amateur Operators do not need to be affiliated with these two organizations to take part in this net. *break*

This is a directed net, meeting every Sunday night at 7 PM local time on the Cedaredge Repeater. Alternate frequency for this net is 147.525 simplex.

Are there any stations with Emergency or priority traffic? Please call now. *pause*

Any stations wishing to check in Short time call now. *pause*

This is \_\_\_\_\_ commencing roll call. This roll is taken from past check-ins to our net. To remain on the active call list you need to check in at least once every few months.

(Call the active list)

This completes the roll from the active list as I have it. Are there any other check-ins for roll call? Please call now.

\_\_\_\_\_ Have you copied tonight's net so far, and can you assume alternate Net Control in case this station should become unable to continue this net?

At this point we ask for any reports from the Officers of the Montrose Amateur Radio Club.

KD0MSQ is our Club President, any traffic Mary?

KD0QGK is our Club Vice President, any traffic Ken?

KD0JCJ is our Secretary , any traffic Jeff?

WB0ITG is our Club Treasurer, any traffic Chris?

KD0JCJ is also our Activities Director? Any traffic Jeff?

KI0KY is Delta County Auxiliary Communication Contact, is there any traffic Steve?

KC0UER is Montrose County RACES Officer, any traffic Lew?

(Poll the check-ins for comments)

Are there any last minute check-ins or other comments or traffic before I close this net?

Our Net Control Station for next week is from list

For those with HF privileges, Don't forget the HF net at 7:30pm local time on 3.992.5.

This concludes this net of the Montrose Amateur Radio Club, slash ARES information net, and I am returning the repeater to normal use. This is \_\_\_\_\_ Net Control Station clear.

*Note: 1<sup>st</sup> Saturday breakfast is in Olathe on odd numbered months and in Delta on even numbered months*
