

MARC Net Control Script Beginning 2026-03

10 minutes before the net announce the net will be starting at 7pm

Attention all licensed Amateur Radio Operators, This is _____, Net Control Station for the Montrose Amateur Radio Club and the Emergency Communications Training net. The purpose of this net is to broadcast club information to members and provide emergency communications training. Licensed Amateur Operators do not need to be affiliated with these organizations to take part in this net. [break]

This is a directed net, meeting every Sunday night at 7 pm local time. The Raspberry repeater is our primary repeater for contingency/emergency communications in the Delta\Montrose area. **The alternate repeater for this net is the Cedaredge repeater at 147.195 +600 with a tone of 107.2. We will use the Cedaredge repeater on the 4th Sunday of the month.** A different check-in procedure may be used during an actual incident. Please pause before transmitting to allow break-ins. All stations are asked to write down messages when heard on this net. [break]

Are there any stations with Emergency or Priority traffic, please call Net Control now. [Pause]

I will now call for check-ins based on county and defined area, please pay attention. Please state if you have a bulletin, news, or are a short time check-in. (ask for breakfast or dinner head count when appropriate).

Start with Short-time check ins: Ouray-San Miguel Counties, Montrose County, Delta County

Regular check-ins: (Reverse the order every other week.) *Montrose North-Olathe, City of Montrose area, Montrose South-Ouray Co-San Miguel Co., City of Delta area, Cedaredge-Hotchkiss-Paonia.*
